Swimmer Profile - Junior Moor

Junior got exposed to swimming from before he could walk. His Mom, Louise said "Even as a baby, water always had a calming effect on him. He snorkeled with his Dad in Cape Vidal already just after his first birthday!"

Junior's swimming lessons started when he was just 5 years old! It was not easy as he did not want to listen to the swimming coach when his Mom was present ... so she had to leave for the lessons! The Moor family then moved to Vryheid, where swimming opportunities, at the time, were few and far between.

When the Moor family moved back to Empangeni, Junior - then aged 7, started training with Breeze Swartzburg where he trained until April 2014. At Heuwelland Primary School's galas Junior often ended up in the top 3 places. Then in 2011 one of his school friends asked if he would swim with them in a team at the Leomat 1000m Swim. With a little encouragement from his Mom and Dad, Junior did well at all the Leomat Challenges, often participating in the individual and relay events, sometimes even on consecutive days!

Junior's participation at the various Leomat 1000m Swims, led him to try the open water events, participating in the Midmar Mile which he has done twice (as an individual) as well as participating in a team event in 2014. In 2013, not only did Junior swim at the Midmar Mile, he also swam at the following long distance events ... The Ubhejane Swim4Rhinos in Richards Bay, the Double Mile at Durban Beach, the Golden Mile at Albert Falls Dam, the Capital K at Midmar Dam, and the Lake Eland - swimming both the individual event and the team event at Lake Eland!

Junior at the Empangeni High Gala 2014!

This year Junior took part in the All Night Gala, hosted by Felixton School, where he supported and swam for the disabled team! What a star! ☺ Junior was also chosen for the Empangeni High School swimming team and represented his school in the uThungulu Schools Aquatics trails, where he was selected for the uThungulu Schools Aquatic swimming team and went on to compete at the KZN Schools Aquatics Championships in Durban, in May 2014!

Junior decided this year, that he wants to take his swimming seriously and asked his parents if he could join Fish Eagle Swimming Club! Welcome to the Fish Eagle Swimming Club team Junior! We are all looking forward to watching you Fly Thru Water, this year and in years to come!
